This course has been designed for civilian and commissioned law enforcement, federal, state, or county prosecutors, probation and correction officers, social services and CAC agencies. The purpose of this training is to present the dynamics of the crimes committed against children and provide effective prevention strategies. Topics include the history of the National Center for Missing & Exploited Children® (NCMEC), an overview of crimes committed against children; sexual abuse vs. sexual exploitation; the victims (vulnerability / disclosure); the offenders (male / female / juvenile); non-family, family, infant and attempted abductions; protecting children online (predator tactics); the NetSmartz® Program; prevention education strategies for all ages; what parents and guardians need to know; and NCMEC Resources for Law Enforcement.

Attire: Uniform / Professional.

Cost: Out-of-county Personnel and Union County Personnel: No Charge.

Because of a limited class size, participants who register are required to attend.
