THANK YOU FOR YOUR COOPERATION.

**JULY 7 KIDS IN MOTION**

JoJo Russell takes the audience on a non-stop musical journey. Everyone should be ready to clap, stomp and sway from start to finish. This high energy presentation showcases a wonderful DJ Entertainer who allows the children to star.

**JULY 14 THE READING BUGS**

Through storytelling, musical instruments, theatre and audience participation, travel through time and discover the fun of reading. The animated “Mythmakers” will lead you on a musical adventure filled with singing spiders, hissing cockroaches and dancing butterflies.

**JULY 21 HOCUS POCUS.....**

**IT'S JOE FISCHER!**

A program that will astound, baffle, delight, thrill and entertain. This fast paced show has a perfect blend of magic, audience participation, comedy and excitement. Joe Fischer has an outstanding rapport with children, and his ability to communicate with all ages makes this show “pure magic!”

TICKETS GO ON SALE AT 1:00 PM.  
CALL TRAILSIDE FOR INFORMATION REGARDING  
GROUP RATES.

**JULY 28 WACKY SCIENCE**

Fantastic, fun, family entertainment with exciting science experiments for all ages. You will be amazed as a Mad Scientist melts the Wicked Witch of the West right before your eyes. See a dry ice experiment and a static electricity demonstration for a “hair-raising experience.”

**AUG. 4 RIZZO'S REPTILE DISCOVERY**

Find out what you can do to help save the earth!

**CONSERVE  
AWARENESS  
RECYCLING  
ENVIRONMENT**

Blending nature, environment and conservation, this program entitled “Discover Green,” will introduce you to live lizards, snakes, turtles and an alligator! Learn how you can help these reptiles by taking C.A.R.E. of the planet.

**AUG. 11 DISCOVER WILD FOODS**

Using related science, history, folklore, mythology and jazz played on the Brillophone, world-famous naturalist/author Steve “Wildman” Brill will show kids and adults what’s growing wild in backyards and local parks. “Wildman” Steve will visit Trailside with bags of wild herbs, greens, berries, roots and mushrooms that people have been using for food and home remedies for centuries. You’ll never look at your backyard or local park the same way again.
